

Scripture through Revelation: A Bible Study

**SHLC Room A108b, Tuesday nights 6 pm, Rev Nathan Reichle
January 26th—May 25th, 2010**

All responsible readers of Scripture know that to understand the last book of the Bible one must know what the 65 books that come before it say. Join Pastor Reichle on a 4 month odyssey through the pages of Scripture to lay a personal foundation of knowledge. This 14 session class will work through Revelation chapter I in order to explore what the rest of Scripture teaches about God, Salvation, the Church, the Christian life, etc. For example, John begins Revelation by giving “grace to you and peace from him who is and who was and who is to come, and from the seven spirits who are before his throne, and from Jesus Christ.” We will then look to the other 65 books to help identify whom John is saying that grace and peace come from.

We will look at Scripture through the magnifying glass of Revelation.
